BE YOURSELF. WE WILL TRAIN YOU HOW TO WORK.

As soon as you've passed through our selection process, you'll receive an **Employment Contract** for the position of **Banking Officer**. Don't worry – you won't be dealing with clients and projects until you are thoroughly prepared for the challenge.

You will experience a unique training programme in duration of 3 months applied to our youngest team members - **ProCredit Onboarding Programme**. At our modern training centres we provide accommodation and meals, in addition to your salary. We promise you outstanding trainers, stimulating discussion, and plenty of on-the-job training. After a 6-month onboarding period, you'll be fully prepared to start developing your banking career in one of our branches or Head Office units.
